Re: Request Field Exam For Water Permit 85-15465

Dear Mr. Martin:

The Idaho Department of Water Resources is in receipt of your letter dated August 9, 2008 requesting a field examination for the above said water permit.

Permit 85-15465 is within Water Basin 85 and under the jurisdiction of the Departments Northern Region. Your permit has been placed on a list with 191 other pending field exams within the Northern Region. You will be contacted by a department field examiner to schedule a time and date on when an exam can be performed. Your permit and corresponding water use is not in jeopardy while the department works toward scheduling you an appointment.

If you have any questions, feel free to contact the Northern Regional Office.

Sincerely,

Keith E. Franklin
Senior Water Resources Agent
