PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 79-14083

Dear Water Right Holder(s):

The department acknowledges receipt of the proof of beneficial use form and of documentation to change ownership submitted for the above referenced permit. The next step in the process of developing a water right is for the department to contact you to schedule a field examination to determine and confirm the use being made of the water, and that it meets the permitted beneficial use. Also, the department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Be advised that Section 42-248, Idaho Code, requires water right owners to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have questions about the field examination, please contact the **Western** Regional Office of the department in Boise at (208) 334-2190.

Sincerely,

Deborah J. Gibson
