Re: Application For Permit to Appropriate the Public Waters of the State of Idaho

Dear Mr. Larson:

As per our telephone conversation on March 12, 2008, I have attached a copy of the department's letter to you dated July 27, 2007, explaining the sensitive basin process along with an attachment of Rules 40.05 c. through 40.05 g., that you are to respond to. I will hold the application in abeyance until May 1, 2008, allowing you enough time to gather the previously requested information.

If you have any questions, feel free to contact me at this office.

Sincerely,

Keith E. Franklin
Senior Water Resources Agent
