AMENDED

To Mr. and Mrs. Carlson,

I visited on August 13, 2008 the place of use for water rights 75-14483 and 75-14485. I tagged and GPS'ed both of the wells and collected the information associated with these wells. I updated the transfer application to reflect that the source of these water rights is ground water. This change was accomplished through transfer 69636 filed by Charles McDaniel the previous owner. I have enclosed a copy of the amended transfer, please sign, notarize, and return this amended application to this office at your earliest convenience.

If you have any questions or concerns please contact me at the number listed below.

Respectfully Submitted,

*Nate Arave*
