RE: Willowtree Estates Subdivision – #63-31877 Water Right Amendment

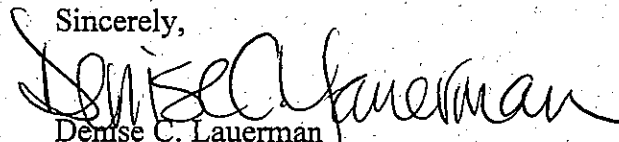

Pam,

As discussed in our telephone conversation today, on behalf of the owners of Willowtree Estates Subdivision, Graham & Jordan Investors, LLC, EHM Engineers, Inc. is requesting an Amendment to the existing Water Right #63-31877. Willowtree Estates Subdivision borders Victory Road and McDermott Road and is located in the North ½ of the Northwest ¼ of section 28, Township 3 North, range 1 West of the Boise Meridian, Ada County, Idaho.

The owners are proposing to drill the new well on their property to a depth of 350-feet to 550-feet; currently the Application for Permit is written for the proposed depth of the well to be 150-feet. Riverside Well Drilling had applied for a permit to drill this well as soon as possible, for your information.

Please call if you have any questions or if you need additional information.

Sincerely,

Denise C. Lauerman
EHM Engineers, Inc.
