RE: Statutory Claim

Dear Applicant(s):

The Department of Water Resources has received your statutory claim. Preliminary review of the claim indicates that there is a problem with the map. We are returning your claim to allow you to complete the map enclosed. The map you submitted is not descriptive and according to your map, you show five (5) cabins in a row and then you have listed the $\frac{1}{4}$ $\frac{1}{4}$'s far apart. Please mark the enclosed map with the spring and exactly where the cabins are. Also, please compare the legal descriptions on the map to your claim. Please make sure they read the same.

Please re-submit your claim along with the maps for processing.

Please feel free to contact this office if you have any questions.

Sincerely,

Sharla Cox
Administrative Assistant
