Attn: Sharla Cox

Gentlemen:

In reference to my application of May 4, 2007 for permit #75-14461, I find that I made an error in applying for a water right that my late husband, William Roosevelt Maxwell, already had on the property in question. (See attached.)

I also noticed that the copy of the application of May 4th which you returned to me had been changed by your office from Lot #13 to Lot #7. Lot #7 is owned by my son, William Robert Maxwell.. My field is in lots #8 and #13.

Please respond to this letter and let me know the status of the above and if you need further information.

Sincerely,

Gertrude Maxwell
