9a. Who owns the property at the point of diversion? If other than applicant, describe the arrangement enabling the applicant to make this filing.

APPLICANT

9b. Who owns the land to be irrigated or place of use? If other than applicant, describe the arrangement enabling the applicant to make this filing.

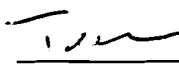

APPLICANT

10. Remarks:

This well was drilled for irrigation under Permit 72-16699. Geothermal water was encountered during the drilling, so this application covers additional uses that will use the heat value of the water before it is used for irrigation. Any waste water will be ponded to prevent it from leaving the property and possibly recharge the groundwater supply.

11. Map of proposed point of diversion and place of use attached? [ ]

BE IT KNOWN that the undersigned hereby makes application for permit to appropriate the public waters of the State of Idaho as herein set forth.
