RE: NOTICE OF CHANGE OF WATER RIGHT OWNERSHIP FOR WATER RIGHT
NUMBER(S) 25-7426 & 25-10023

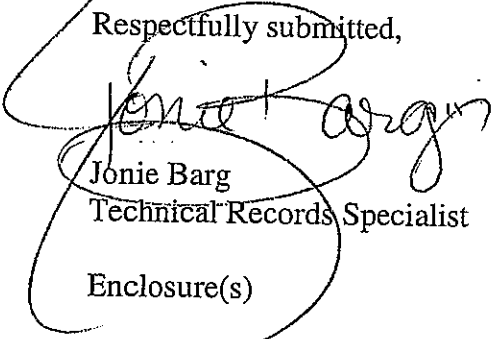

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. The place of use for the domestic right is in the NWNW of Section 6 Township 1 North Range 38 East and the property owned is located in the SWNW of the same section. The irrigation right was originally claimed in the same quarter quarter; however the error was corrected in a transfer process. As per a phone conversation with Rob Harris on July 1, 2008, he believed this to be an error as well. There was going to be some investigating to find the exact location of the wells and information regarding the place of use for this water right, so we could determine whether or not this is in error. Please let me know the status of the information you have gathered and the steps that need to be taken to complete this ownership change.

Because the department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. 25-7426 is ok to complete, however I am holding this along with 25-10023 until all the necessary information is received, unless other wise instructed.

If you have any questions about this matter feel free to contact Jonie Barg at (208) 525-7161.

Respectfully submitted,

Jonie Barg
Technical Records Specialist
