RE: Lorraine Driscoll - Allocation for Transfer of Water Right

Dear Sharla and Dave:

Pursuant to the letter I received from Dave Carlson, dated August 7, 2008, and the phone conversations that I have had with Sharla, I am returning the application for transfer of water right. As we discussed, the original signature page bears the original signatures of both Lorraine and Tamara Driscoll.

I have made the adjustments in the location of the existing point of diversion and the point of diversion of the new well. I have initialed both changes.

This should complete the action items that you had requested; however, if there is any additional information you need, please give me a call. Thanks so much for your help and cooperation in this matter.

Sincerely yours,

MERRILL & MERRILL, CHARTERED
