Dear Ruby:

Enclosed you will find a legal notice which we wish to have published once a week for two consecutive weekly issues of your newspaper.

We have inserted the required publication dates. If you cannot publish the notice on the proposed dates, please contact us immediately.

In order to receive payment, an affidavit of publication must be submitted to the Department along with the publication bill.

Very truly yours,

Mary Baldwin
Administrative Assistant

Enclosure

NOTICE OF PROPOSED CHANGE TO WATER RIGHTS

Notice is hereby given that two Applications for Transfer have been filed with the Idaho Department of Water Resources for changes to water rights within Cassia County. **Application No. 74642 filed by V & R FARMS LLC, 715 S 750 E; BURLEY ID 83318**. This transfer proposes to change the place of use for a groundwater right used for irrigation approximately 4 miles west and 3 miles north of Albion. Some of the acreage currently serviced by the water right will remain and others will be adjusted. The most significant change will be the SW Q of Sec 21, which will be moved east and south, approximately 1 mile, closer to other acreage serviced by this right. The points of diversion will not be changed. **MARVIN L. & LOVEL L. BLACKER, 459 S 400 W; BURLEY ID 83318 have filed Application No. 74796**. Application proposes changing the place of use and adding a diversion point to groundwater rights that currently allow for the diversion of 4.95 cfs for the irrigation of 365 acres on a farm located approximately 4.25 - 5.0 miles south and 3.0 - 4.5 miles west of the center of Burley. The application will create a 375 acre permissible place of use for three of the rights and a portion of a fourth right, allowing for the irrigation of 361.3 acres within the permissible place of use, and specifically identifies a 3.7 acre place of use for a 0.07 cfs portion of the fourth right. The proposed permissible place of use and the 3.7 acres are located within the boundaries of the original farm. Two existing wells, with one located on the farm and the other located approximately 0.5 mile west of the farm, will serve as points of diversion for the rights involved with the transfer allowing for the diversion of up to 4.95 cfs and the irrigation of 365 acres. For specific details regarding an application, please contact IDWR Southern Regional Office at 208-736-3033 or visit the website for the Department at <http://www.idwr.idaho.gov/apps/ExtSearch/WRFiling.asp>. Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Protests against approval must be filed with IDWR, Southern Region, 1341 Fillmore St.-Suite 200; Twin Falls, ID 83301 with a protest fee of \$25.00 for each application on or before September 2, 2008. The protestant must also send a copy of the protest to the applicant.
David R. Tuthill, JR., Director
