Describe what work has been completed toward the development of this water right:
(This must be filled out! If no work has been completed, show "none".)

We have completed a test well and subsequently test pumped it to determine the aquifer capacity. We encountered unexpected aquifer conditions which delayed our progress. We have hired a hydrogeologist to assist our engineer in our efforts. Construction of the production well is slated to begin on Sept. 2, 2008. Costing \$ 52,126.15

The permit holder(s) has been unable to complete the remainder of the work for the following reasons:

We encountered unexpected aquifer conditions which has delayed our progress. Subsequently we hired a hydrogeologist to assist our project engineer in our efforts. Construction of the production well is scheduled to begin September 2, 2008

Permit holder(s) request an extension to 2013.
