John:

On behalf of M3 Eagle, I have a few procedural questions concerning the schedule of proceedings for water right application no . 63-32573.

1. Schedule for appointing a hearing officer?
2. Pre-hearing conference/settlement discussions? M3 Eagle is ready to have the conference at the earliest opportunity, and would suggest sometime during the week of June 23 or June 30, 2008. We presume it should be held in Eagle.
3. Protestants' addresses? In preparing our service list in this matter, we note that a number of the Protestants did not list their addresses on their protest form. At this point, I hope I am correct in assuming the Department will put together the full address list for the parties to use.
4. Protestant representation? Nearly all of the Protestants have listed David Head as their representative and provided his email as their service mailing location, so I am copying him on this email even though I am not sure he is a lawyer. I am assuming the Department will be following up on the question of representation. I'm also either emailing, or U.S. Mailing (where no email given), a copy of this to those Protestants who have not listed a representative.

Thanks for your attention to this.
