There is a **FILING FEE** of \$50.00 to be included with this form when filed with IDWR.

Permit No. 95-9179 Date Proof is Due: August 1, 2008

Describe what work has been completed toward the development of this water right:
(This must be filled out! If no work has been completed, show "none".)

Installed a pivot, main line, wheel lines, and water line.

Costing \$ 40,164.00

The permit holder(s) has been unable to complete the remainder of the work for the following reasons:

I have been looking for a larger well pump. I have obtained cost estimates of \$130,000.00 to \$150,000.00 to replace the pump and motor and electrical system. I will have to convert the existing pipe for the larger pump.

I have had health issues, and because of the time, cost and expense, have been unable to complete the work necessary.

Permit holder(s) request an extension to (5 years) July 31, 2013.
