PROOF ACKNOWLEDGMENT LETTER

Re: Permit Nos. 73-12025 and 73-12042

Dear Permit holder:

The department acknowledges receipt of the proof of beneficial use ("proofs") forms submitted for the above-referenced permits. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use of the water, and that it meets the permitted beneficial use.

Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

If you have questions about the field examination, please contact the Eastern Regional Office of the department in Idaho Falls at (208) 525-7161.

Sincerely,

Deborah J. Gibson
Administrative Assistant
