RE: Water Right Permit No. 63-11741

Dear Mr. Porter:

This letter is to advise you that the Department has received your Statement of Completion as proof of beneficial use ("proof") for the referenced water right. However, the Department cannot accept the form you filed because of incomplete or missing information. I am returning the original form to you and ask that you complete the form and return it to me in the enclosed self addressed, stamped envelope.

To provide you with information regarding the permitted water uses and rate of diversion enclosed a copy of the referenced permit. Please complete the form to provide the Department with information about your completed development.

I will hold this matter for **15-days** from the date of this letter to wait for your response. If there is no response, I will refund the filing fee you have paid.

If you have not completed the construction of the permit and applied the water to the permitted use, filing this form at this date is not appropriate. Filing this form prompts the Department to schedule an examination of your water system and use.

Please contact me at (208) 287-4942, if you have any questions.

Sincerely,

Deborah J. Gibson
Administrative Assistant
