RE: Application for Transfer for Water Rights 34-13903, 34-13905, and 34-13907

Dear Mr. Woodbury:

Transfer No. 73489 authorized you to establish a new point of diversion (a well) for Water Rights 34-13903, 34-13905, and 34-13907 in the NE $\frac{1}{4}$ SE $\frac{1}{4}$ NW $\frac{1}{4}$, Section 17, T6N, R25E, B.M., as requested in your application and advertised in the Challis Messenger. From our telephone conversations, I understand that the authorized location for your new point of diversion will not suffice and that you need authorization to put the point of diversion in a different location, possibly the SE $\frac{1}{4}$ NE $\frac{1}{4}$ NW $\frac{1}{4}$, Section 17, T6N, R25E, B.M.

IDWR cannot alter the transfer approval to show something different than requested in your application and advertised in the newspaper. At this point, you will have to submit another transfer application if you need authorization to change the point of diversion again.

I have enclosed a transfer application, instructions, and three printouts to use as Part 2A of the transfer application.

If you have any questions, please call me at 208-287-4947, or email me at shelley.keen@idwr.idaho.gov.

Sincerely,

Shelley W. Keen
Water Rights Supervisor
