Dear Ms. Gibson:

Enclosed are nine "Statement of Completion" forms for submitting proof of beneficial use. These are for permits, 33-14860, 33-14861, 73-12048, 74-15036, 74-15694, 75-14296, 75-14292, 75-14293, and 75-14113. All of these water developments on the Salmon-Challis National Forest have been completed. Also enclosed is a check for \$450 for the license exam fees.

The original applications for these permits had several different mailing addresses for the permit holder. The current mailing address for the Salmon-Challis National Forest is shown on the enclosed Statement of Completion forms. Please consider this letter as notice of a change in mailing address for the forest.

If you have any questions about these forms or water developments please contact Betsy Rieffenberger at 208-757-5108.

Sincerely,

RENEE SNYDER
Ecosystems Staff Officer
