

MEMORANDUM

To: File 67-14952
From: Denise Buffington
Date: August 5, 2008
Subj: Protested App

I received a message from Patricia Davies August 4th regarding a meeting scheduled for August 6th at 4:00. She said that they received a letter from John Westra regarding this meeting; and that it is in reference to the protested application listed above, for David Robidoux. Her husband, Jim Davies, is an intervener for this matter.

Her concern is that Jim had open heart surgery 10 days ago, and in his best interest, should not attend this meeting because it is a long drive for them. She is wondering if she can attend on his behalf.

I am unable to find anything in the water right file regarding a meeting scheduled for August 6th. There are several notes in the file, regarding IDWR receiving phone calls from Alan Sands, representative for the applicant, asking for additional time to provide additional information; and asking that we do not schedule a prehearing conference yet. As far as I can tell by looking at the file, a prehearing has not been scheduled yet.

I have left a voice mail message for Pat Davies at both the home number and her cell phone number; in order to try to obtain more information.

** Spoke to Pat 8/5/08 at 2:40 p.m. She read the wrong information concerning this matter. There was previously a meeting scheduled for August 6th, concerning another matter, however that meeting was canceled. They will continue to wait to hear from IDWR regarding any further action on this application.
