

RECEIVED

JUL 17 1992

Department of Water Resources
Western Regional Office

We, Roland & Helma Bowers protest
application for permit #63-11265
and application for amended permit
#63-11615. We feel that diversion
from this well will cause
interference to our domestic water
supply.

We have had one well go dry
due to the lowering of the water
table from irrigation wells and
draught conditions.

Roland J. Bowers July 17-92
Helma Bowers 7-17-92
