

MEMORANDUM

Date: May 19, 2008
To: Transfer 74801
From: dcarlson
Re: transfer evaluation

This transfer proposes change the point of diversion on the Lemhi River to the L13 diversion which is 1.5 miles down stream.

Authority to File:

Applicant is the owner of record as far as the SRBA recommendation.

Water Right Validity:

This water right was recommended in the SRBA in 2008. Forfeiture is not an issue.

Injury to Other Water Rights:

Will request Watermaster comment. Moving this point of diversion downstream 1.5 miles should not have

a significant impact to others.

Transfer will be advertised to determine any protests.

Enlargement of Use:

There is no evidence of enlargement of use.

Local Public Interest:

No issues identified.

Beneficial Use / Conservation of Water Resources:

No issue identified.

Review of the application finds there is not clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
