Aaron the proposal by Mr. Chappell looks acceptable. I suggest you move forward with processing his rental application.

Thanks

Subject: WD 120 Watermaster Review - Chappell Bank Applications

Ernie,

Attached is an application from Brent Chappell to rent water from the Water Supply Bank. The application meets the criteria for an acceptable proposal in accordance with Bank rules. Water right nos. 35-13340 and 35-13362 are leased to the Bank and will satisfy the rental application. As watermaster of WD 120, please review and provide any comments you may have. Thanks.
