RE: PERMIT TO APPROPRIATE WATER 37-20386 THROUGH 37-20390

Dear Permit Holders:

I am planning to conduct water right examinations in the vicinity of the above-referenced permit during July 8th and July 9th. An examination is needed to verify your water use in order to issue a water right license.

In order to conduct your exam as efficiently as possible, we ask that you call this office to schedule a day and time convenient for you. Please be advised that you will need to operate your system under normal conditions during the examination.

If there is a problem with scheduling or conducting the examination at this time, please call me at (208) 287-4944 and other arrangements can be made.

Sincerely,
