Comments:

1. jhersley 2/29/2008 SPLIT RIGHT
Comment: This water right is the result of split from 57-47B due to change in ownership.
2. jhersley 2/29/2008 conveyance loss
Comment: .14 cfs of this right is for conveyance loss.
3. jhersley 3/6/2008 moved from conditions
Comment: 57-47 was decreed in the SRBA. After the decree was issued this right was split into 57-47A, B and C. For some reason the 57-47 was left as Active and the 57-47A, B and C were given Superseded by Decree as the status. In reviewing the files it appears that the splits are correct and should be reflected as Active and 57-47 as the Parent right. These are being changed to show the correct status.
