Remarks:

Comments:

1. jhersley 2/29/2008 split right

Comment: This water right is the result of split from 57-47A due to change in ownership.

2. jhersley 2/29/2008 conveyance loss

Comment: 0.04 cfs of this right is for conveyance loss

3. jhersley 3/6/2008 moved from conditions

Comment: 57-47 was decreed in the SRBA. After the decree was issued this right was split into 57-47A, B and C. For some reason the 57-47 was left as Active and the 57-47A, B and C were given Superceded by Decree as the status. In reviewing the files it appears that the splits are correct and should be reflected as Active and 57-47 as the Parent right. These are being changed to show the correct status.

4. vmusic 7/29/2008 arcmap

Comment: shapes created and pou and pod linked.

5. vmusic 7/29/2008 remainder

Comment: this is the remainder of the split of 63-47A. Owner may be Covington though no change of ownership has been filed for this portion.
