Re: Water Right Permit No. 37-20833

Dear Sir or Madame:

On February 29, 2004 I sent you a Proof Due Notice (notice) that requested you to file Proof of Beneficial Use (proof) for water right permit no. 37-20833. Mr. Brockway recently contacted me about this matter, and I realized that the notice was not appropriate. I apologize for this confusion and any inconvenience it may have caused. I have updated our database to reflect your submittal of proof on August 29, 2003, and I am writing to request that you ignore my notice.

The department received the Beneficial Use Field Report conducted by Mr. Brockway on August 22, 2003, and when the proof was filed the proof process was complete. The next and final step will be for the department to review this file and issue a license. If the department needs any additional information, we will contact you or Mr. Brockway prior to issuance of the license.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
