RE: Application for Transfer 74926

Dear Applicant(s):

The Department of Water Resources has received your application for transfer. There is one thing missing on your application before we can finish processing your application. On the front page of your application, you have listed both of your names with an "AND" between them, but only Keith signed the application. I need Jeanne to sign the enclosed last page in front of a notary and return to us as soon as possible.

Please feel free to contact this office if you have any questions.

Sincerely,

Sharla Cox
Administrative Assistant
