To Whom It May Concern,

The application submitted to this department was not contained errors in regards to the location of the point of diversion and the places of use relative to the map submitted with the application. I have generated a revised application which reflects the Place of Use and Point of diversion as I hope was intended. Please review this application and if it is correct, please sign and return to this office at your earliest convenience.

If you have any questions or concerns please contact me at the number listed below.

Respectfully Submitted,

Nate Arave
