**Re: Application for Transfer of Water Right No. 37-21511
Gary and Judith Frugard Trust
Our File No.: 245:050189**

Dear Allen:

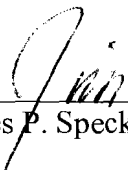

Enclosed you will find the original and one copy of an Application for Transfer of Water Right proposing to change the point of diversion of Water Right no. 37-21511 for my client, the Gary and Judith Frugard Trust. I am also enclosing my firm's check payable to the Department for the \$100 filing fee.

The current, recorded and recommended point of diversion for this groundwater irrigation right is the original irrigation well that served the entire ranch before it became a subdivision. My client desires to change the point of diversion to the well located on its lot for its portion of the groundwater irrigation water right.

Please call me right away if you have any questions, comments, or concerns about this application. Thank you.

Sincerely yours,
