Re: Application for Transfer of Water Right No. 73841

Dear Scott:

This office received the Poen Land Trust Application for Transfer involving water right 63-32159. On March 4, 2008 you informed me your client has sold the property since filing the transfer. At that time, you requested some time be granted to determine whether the transfer application would be assigned to the new owner or if the application should be withdrawn. To date, I have not received a statement assigning the transfer application nor a Withdrawal of Application for Transfer form. I am requesting Poen Land Trust withdraw transfer application 73841 unless they wish to assign the application to the current land owner. I have enclosed a Withdrawal of Application for Transfer form for your use. Should Poen Land Trust wish to assign the transfer application, submittal of a notarized statement to that effect is necessary.

Please submit the applicable form or statement to conclude this matter. Your response, or a request for more time to make your response, must be received before May 28, 2008. The transfer application will be voided without a timely written reply.

IDWR forms and other information are available on the Internet at www.idwr.idaho.gov. Please contact me at 208-334-2190 if you have any questions. Thank you for your attention to this matter.

Sincerely,

Angela M. Grimm
Water Resource Agent
