Dear Steve,

Enclosed on behalf of Poen Land Trust is an Application for Transfer of a 9-acre portion of water right 63-32159. This right is based on license 63-7430. The application proposes to change the point of diversion so that this 9-acre portion can be irrigated from a well located at the place of use. Baro Enterprises, LLC is Trustee of Poen Land Trust. Tyler Roberts is an authorized agent of Baro Enterprises LLC and has thus signed the application and provided a notarized statement agreeing to the transfer. The property can be identified as 2286 E Poen Road, Lot 3 Block 1 Esther Estates, Ada County Parcel R2517270300.

Under separate cover sent attention Jan Shurte is a notice of change in water right ownership seeking to have ownership updated as soon as possible so this portion is decreed to the new owner. Also enclosed is a check for \$265, with \$100 for the transfer application fee and \$165 for the well drilling permit upgrade from domestic to irrigation. Please contact me with any questions or requests for additional information.

Sincerely,
