Re: Transfer Evaluation

The purpose of this transfer is to change the point of diversion for this water right allowing a new well to be constructed to irrigate the acres under this right. The current well will be abandoned if this transfer is approved.

Authority to File:

Byron Denney supplied power of attorney for Alice Denney. He further supplied warrantee deed and quitclaim deed showing that Alice Denney is the only current owner of this property.

Water Right Validity:

This water right was partially decreed in the SRBA on 3/22/2004.

Injury to Other Water Rights:

Transfer will be advertised to determine any protests. This water right is not included within the ESPAM Grid.

Enlargement of Use:

There is no evidence of enlargement of use.

Local Public Interest:

No issues identified.

Beneficial Use / Conservation of Water Resources:

No issue identified.

Review of the application finds there is not clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
