RE: Change in Ownership for Water Right 35-12184

Dear Applicants:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership received on 10/4/2006. During our review, we found a discrepancy between the deed you submitted (copy enclosed) and the legal description of the place of use for the water right. I have enclosed a copy of the water right and a map of the place of use for your reference.

The water right is for domestic and stockwater use for 200 cattle. The legal description on your deed appears to cover the location of the house, but not the stockyard.

To complete the ownership change as submitted, we will need proof of ownership of the entire water right place of use. Or, the water right can be split. The fee for an ownership change resulting in the division of a water right is \$100. The \$25 received with your application can be applied to a split fee, in which case \$75 would be due.

Please also note that although the Notice of Ownership Change lists both Rhea Rawlings and Detta Bendio as current owners, the quitclaim deed dated 10/5/2005 conveys all interest to Ms. Rawlings. Therefore, Ms. Bendio cannot be listed as a current owner on the water right should the ownership change be approved.

The Department cannot process the ownership change without proper documentation. We will hold your application for 60 days pending receipt of the necessary information or fee. If we do not receive the documentation within that time, we will return your notice and all attachments unprocessed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Dayna M. Ball
