RE: Change of Ownership for Water Right 34-583C, 34-584F, 34-773, 34-774, 34-775, 34-4127, 34-7044, 34-10562, 34-10567, 34-10568, 34-10569, 34-10570, 34-10571, 34-10572, 34-10573

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

At this time, the department is unable to complete the ownership change for water right number 34-7585. 34-7585 is still an active permit; in order for the department to complete the ownership change you need to complete an Assignment for Permit (no fee required, the fee was paid with the ownership change).

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jonie Barg
Technical Records Specialist
