CONSTRUCTION EASEMENT AGREEMENT

THIS INDENTURE, made and entered into this 24 day of OCTOBER 2002, by and between Michael Humphreys, hereinafter called Landowner, and the STATE OF IDAHO or the use and benefit of the Idaho Department of Fish and Game, hereinafter called the Department,

WITNESSETH:

That for and in consideration of the sum of ONE DOLLAR (\$1.00), cash in hand paid by the Department to the Landowners, receipt whereof is hereby acknowledged, the Landowners have this day bargained and sold and by these presents do hereby grant, bargain, sell, convey, transfer and deliver unto the Department a permanent easement for the purpose of construction, operation, maintenance, alteration, renewal and removal of a self-cleaning fish screen and fish bypass thereto on, within, and across a canal or ditch known as Champion Creek 01, the Mizer ditch, or SChC-01, and located in Custer County upon lands of the Landowners at a point within the NW ¼, Section 22, Township 08 North, Range 14 East, and said fish screen bypass to run from said fish screen to the adjacent stream course known as Champion Creek.

Together with the right of ingress and egress for personnel of the Department or its authorized agents on and over property of the Landowners for purpose herein designated, together with the rights of way along the canal channel to provide for maintenance of the fish screen and removal of debris, mud or gravel bars that may accumulate in the canal or ditch immediately above or below the fish screen and which have been caused to accumulate by installation of said screen.

In the event of any future alterations in the line or grade of the canal, ditch, or stream course necessitating changes in or relocation of the Department's installations, due to a change in irrigation practices, the Landowners, by these presents, also grant, bargain and sell to the

Department an easement as herein first above granted to relocate its installations in said canal or ditch or stream course still located on the lands of the Landowners, their heirs or assigns.

In construction of the fish bypass, the Department will assume responsibility of the future stability of any dike, ditch, or canal bank, or similar structure penetrated by said bypass, in the immediate area disturbed by the penetration and installation of the bypass pipe.

All such installation placed on, within and across said canal or ditch by the Department shall remain the property of the Department and may be removed by the Department at any time.

Landowner may terminate this Easement Agreement and require the Department to remove any of the contemplated fish screen installations in his sole discretion.

All expenditures to be made by the Department under the provisions of the agreement shall be subject to appropriations being available for that purpose.

IN WITNESS WHEREOF, the parties have hereunto executed their signature below.
