RE: Water claim for Andrew Bybee

Dear Ms. Cox:

I received your letter of June 1, 2008 stating that we had used the incorrect form for filing our claim. However, I respectfully disagree with your statement that we are claiming a priority date of April 5, 1980. If you would please review the Water Rights Claim that I am attaching and sending back to you, you will notice that the portion that you had highlighted reads April 5, **1880** not April 5, **1980**.

Based upon this information, please begin the process of filing our Water Right Claim. I certainly appreciate your help with this matter. Should you have any questions, feel free to contact me.

Sincerely,

Peter M. Wells, Esq.
