RE: Claim to a Water Right for Andrew Bybee

Dear Mr. Wells:

My apology for reading the priority date wrong, I am sorry for sending it back. The reason for this letter, the fee for a Claim to a Water Right for irrigation purpose is \$500.00. Please see enclosed instruction sheet page 2. I have highlighted it for you. I will start processing the claim right away, but can not finish until I receive the other \$170.00.

Again, my apology for the inconvenience and misunderstanding. Please feel free to contact me if you have any questions.

Sincerely,

Sharla Cox
Administrative Assistant
