NOTICE OF APPLICATIONS

The following applications have been filed regarding the public waters of the State of Idaho, Custer County.

For Permit No. 72-10700

LILAC THREE LLC/LILAC SIN LLC

C/O JOAN MARTINEK NGR
1118 S BRADDOCK AVE
(NEAR)

PITTSBURG PA 15218

Point of Diversion & Place of Use: NESE, S26, T10N, R18E

Source: GROUND WATER
Use: 01/01 To 12/31

DOMESTIC (0.04 CFS)

Date Filed: 05/27/2008

Remark: Application proposes to divert 0.04 cfs from an existing well for domestic purposes. Location is along the East Fork of the Salmon River, approximately 7.5 - 8.0 miles from the confluence with the Main Salmon, which is near Clayton, Idaho. This application proposes the diversion and use of groundwater tributary to the Salmon Wild & Scenic River. The decreed minimum stream flow rights for the federal Wild & Scenic Rivers are subordinate to certain categories of water use and to specific amounts of water use established after the minimum stream flow. The water use proposed in this application will benefit from the subordination provision because it is for domestic purposes. Permit will be subject to all prior water rights.

Protests may be submitted based on the criteria of Sec 42-203A, Idaho Code.

Application for Exchange of Water No. 74810 filed by ROBIN J WEGNER, HC 63 BOX 1576, CHALLIS ID 83226 proposes changing the source and point of diversion for right 72-10032 from a spring tributary to sinks along Challis Creek to a nearby unnamed stream tributary to sinks along Challis Creek. Right

72-10032 currently authorizes the diversion of 0.04 cfs from a spring located approximately 4.7 miles north and 4.8 miles west of the Highway 93 and Garden Creek Road intersection in Challis for the irrigation of 12 acres located approximately 4.6 - 4.8 miles north to 4.35 - 4.5 miles west of the Highway 93 and Garden Creek Road intersection in Challis. The application proposes changing right 72-10032 to allow for the diversion of 0.04 cfs from an unnamed stream (fed by a nearby spring) at a location approximately 4.8 miles north and 4.5 miles west of the Highway 93 and Garden Creek Road intersection in Challis. The same 12 acres will be irrigated after the proposed change. Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. For specific details regarding an application, please contact IDWR Southern Regional Office at 208-736-3033 or visit the website for the Department at <http://www.idwr.idaho.gov/apps/ExtSearch/WRFiling.asp>. Protests against approval must be filed with IDWR, Southern Region, 1341 Fillmore St.-Suite 200; Twin Falls, ID 83301 with a protest fee of \$25.00 for each application on or before July 7, 2008. The protestant must also send a copy of the protest to the applicant.
