Subject: Agreement

Cindy- fyi. It appears the parties protesting our proposed processing plant well have agreed to drop their protests if we stipulate to 1.34 cfs max diversion and to abide by the 1972 partially executed agreement between Fred Brailsford and Clear Springs Foods. A stipulation agreement and MOA that reaffirms the 1972 agreement is in the signature phase. Once executed we will want to move forward with IDWR licensing. I will keep you posted. Randy
