DEPARTMENT OF
WATER RESOURCESVH
Dear Sir:

4/10/08

I sent a copy before, I also sent a copy of the correct legal description in.

I bought the place from Elaine Burch who, was selling to Gary Meritt. as Gary was losing the place,

Gary then sent me the notice of Error said I needed to sign it & send back to him. I Did.

Gary had plan's of buying the ranch from me. First he would rent it - for the amount of the payments it took for me to borrow the money from Mutual Credit of Ontario, Gary made 2 rent payments in two years. These were monthly payments

I could not keep up, and after two years, I sold the place and paid the Bank off.

I was with the understanding that I had cleared up the water problem.

Shirley E. Jones

I have sold the property to
Michael B Kane and Ann M. Lane of Salmon
