Subject: 37-21718 and 37-21723; Claimant: Kramer 764-2378 cell 358-2578

I spoke with Jim Kramer today. We agreed to settle BLM's objections to the above-referenced claims as follows:

Split the claims so that BLM will hold title to the federal public land place of use: T02S R15R S10 SENE 0.90 acres; the Kramers will hold title to the remaining places of use that describe private land.

Mr. Kramer will immediately visit the an IDWR water agent in Twin Falls and file for a transfer to move the .9 acres that describes federal public land to private land.

Please draft appropriate SF-5s for our signature and let Fred know when they are done. He will send them to Mr. Kramer, along with a separate stipulation that describes the terms of the settlement.

Fred: Please draft the standard stipulation for my review and comment before sending to Mr. Kramer.
