DOMESTIC AND IRRIGATION WATER AGREEMENT

This agreement made and entered into this 15th day of January, 1991, by and between Kelly N. Nelson, Richard V. McKernan, and John D. Beebe, Jr. as follows:

Kelly N. Nelson, Richard V. McKernan & John D. Beebe, Jr. agree to pay for and install 2 pumps both for irrigation and domestic water use, a pump house to accommodate holding and pressure tanks and filtration systems and all the necessary lines which will traverse throughout the 3 adjoining properties. The pumps and tanks shall be of such a size as to comfortably service 3 single family dwellings.

RECITALS:

A. Beebe owns real property located in Kootenai County described on Exhibit "A" attached hereto and incorporated herein by reference.

B. McKernan owns real property described on Exhibit "B" attached hereto and incorporated herein by reference.

C. Nelson owns real property described on Exhibit "C" attached hereto and incorporated herein by reference.

1. Each of the parties agree that after the installation of the pump house, tanks, pumps and lines, the expense of caring and maintaining this entire system including the utility building shall be born by the individuals utilizing the same in equal shares. If any party fails to pay its proportionate share of the expenses associated with operation of the water system, the non-defaulting parties shall be entitled to recover their court costs and attorney's fees incurred in recovering said sums from the defaulting party or parties.

2. The exact location of the pump house, water lines and pumps has not been determined with any degree of accuracy. It is understood that the submersible pumps and lines will have entry into the lake on the Nelson property with 2 lines running approximately at the lot line of Nelson/McKernan connecting the pump house located on the property of Nelson/McKernan between their 2 proposed garage sites. From this pump house, lines will cross various properties on the south side of the road servicing the 3 residences.

3. Each of the parties shall have the responsibility of paying any and all expenses associated with the care and maintenance of

11C

the system.

4. This agreement shall be binding upon the heirs, successors and assigns of the parties hereto, and this agreement may be recorded of record in order to give notice of the responsibilities of each party concerning the common sewer system.

In witness whereof, the parties hereto have set their hands the day and year first above written.
