PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 96-9306

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use ("proof") form submitted for the above-referenced permit. The next step in the process of developing a water right is for the department to conduct the field examination to determine and confirm the use of the water, and that it meets the permitted beneficial use.

Section 42-248, Idaho Code requires the owners of water rights to maintain current ownership and address records on file with the department. Staff in the Northern region have updated the record for this permit to reflect a change that you have provided. I have enclosed a report to reflect the information regarding this permit. If this change is not correct, please notify me immediately. If changes occur in the future, forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

If you have questions about the field examination, please contact the **Northern** Regional Office of the department in Coeur d'Alene at (208) 762-2800.

Sincerely,

Deborah J. Gibson
