Re: Change in Ownership for Water Right No. 95-7499

Dear Ms. Ball:

Enclosed is a copy of your correspondence dated November 30, 2007, and a copy of the Quitclaim Deed requested in your letter. Hopefully this is what you need to transfer the ownership of Water Right 95-7499 to Jon Carlson and Eric Carlson. If not, please let me know and I will do my best to get you the information you need.

Also, can you let me know if there are any other parties attempting to claim ownership of this water right? Thank you in advance for your assistance with this question.

If you have any questions, please call me at 509-951-3322 (cell).

Sincerely,

Eric A. Carlson

RE: Change in Ownership for Water Right No. 95-7499

Dear Applicants:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. The application was forwarded to us from our northern regional office. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

X **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water right in question

The ownership cannot be changed based on the Tax Assessment Notice that was received with your application. A deed conveying the property to you is required. A Last Will and Testament may also be sufficient to transfer the ownership.

The Department cannot process the ownership change without proof of ownership. We will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 60 days we will return your application and materials unprocessed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Dayna M. Ball
