RE: Change in Ownership for Water Rights 29-4194 & 29-10695

Dear Applicant:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership received on 8/31/2006. The department has modified its records to reflect the change in ownership for Water Right #29-10695. A computer generated report is enclosed for your records. However, additional information is required to process the ownership change for Water Right #29-4194. The information required is indicated below:

- X **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property in question or,
- X **Filing Fee** of \$100 per water right for changes resulting from division of a water right

The place of use for WR # 29-4194 includes .8 acres in the SENE of Township 7S, Range 35E, Section 22. The quitclaim deed you provided (copy enclosed) does not show proof of ownership of this land. A water right report and map of the place of use are also enclosed. If you do not own this area, you may request to have the right split. The fee to split a water right is \$100. Since we have already received a \$25 fee, only \$75 would be required to split the right.

The Department cannot process the ownership change without the information or fee listed above. We will continue to keep your application for active 60 days.

Please feel free to contact the Department if you have any questions.

Sincerely,

Dayna M. Ball
