RE: Notice of Change in Water Right Ownership Nos. 67-10311, 67-10312, 67-10313

Dear Property Owner(s):

Enclosed is a copy of your Notice of Change of Water Right Ownership form that you recently submitted to our office. However, we cannot continue to process the ownership change without a copy of the warranty deed that put the property in your name and either a plat of property or survey map clearly showing the location of the point(s) of diversion and place of use of the water right.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be \$75. Water Rights that are still in the adjudication process do not require fees. The rights listed above have been decreed in the SRBA and fees are required to change ownership.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information and fees. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Feel free to contact our office at 208-334-2190 if you have any questions concerning this letter.

Sincerely,

Jean Hersley
