NO. 74581 IN THE NAME OF)
JOSEPH L. PARKINSON)
_____)

**PRELIMINARY ORDER
CORRECTING TRANSFER
APPROVAL**

FINDINGS OF FACT

1. On February 5, 2008, Joseph L. Parkinson (applicant) filed Application for Transfer No. 74581 (transfer) to change the place of use for water rights 2-2384, 57-7168 and 57-7222 as described by Decree and under Snake River Basin Adjudication recommendation.
2. On May 15th, 2008 the Department approved the transfer incorrectly showing the proposed irrigation place of use.
3. The Department determined that irrigated acres within Sections 15, 16, and 21 of Township 04S, Range 02E were incorrectly described by the transfer approval.

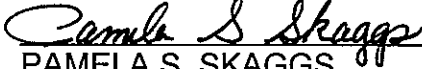

CONCLUSIONS OF LAW

1. The transfer approval should accurately describe each established water right as changed by the transfer pursuant to Section 42-222, Idaho Code.
2. The transfer approval incorrectly describes the irrigation place of use proposed on the application.
3. The Department should correct the transfer approval to describe the irrigation place of use associated with each right the same as described on the application.

ORDER

IT IS THEREFORE HEREBY ORDERED that Transfer Approval No. 74581 is **CORRECTED** by changing the irrigation place of use to reflect the proposed place of use described on the transfer application and as shown on the amended transfer approval document issued in conjunction with this order.

Dated this 16th day of June, 2008.
