RE: Applications for Transfer

Dear Mr. Lester,

Enclosed, please find an Application for Transfer in the name of Jeff and Carrie Benton. This applicant is neighbor to Robert Beede and Denny Howell who have submitted essentially identical transfers in August 2006. All three transfers are seeking essentially identical goals for their water rights, including the change ownership to the current homeowner.

The main effort is that each homeowner has purchased a sliver of land that separates the home lot from the Two Rivers Subdivision to the east. I could not find a water right to the sliver land, so each homeowner asked that they be able to use the water that is appurtenant to the home lot on the new ground. The amount of irrigated acres does not increase due to the fact that large homes and driveways have retired a portion of the home lot.

The \$100 filing fee is included.

If you have any questions, please feel free to call.

Regards,

Steven R. Hannula
