

TO: TRANSFER FILES 73762, 73763, AND 73808

FROM: DANIEL A. NELSON

DATE: 3/21/2008

SUBJECT: TELEPHONE COVERSATION WITH CONSULTANT.

On March 21, 2008, I called Steve Hannula of ERO Resources concerning additional information required for the transfers mentioned above in the name of Beede transfer number 73762, Benton transfer number 73763, and Howell transfer number 73808. Apparently, there was some type of dispute between ERO Resources and the three transfer applicants after the transfers were filed, and ERO Resources apparently are not representing these clients at this time. Mr. Hannula requested that I send the additional information letters directly to the applicants, which was done.

Mr. Hannula stated that he could not provide further representation of these clients until the dispute has been resolved. Apparently the dispute has yet to be fully settled.
