CONDITIONS OF APPROVAL

1. Return flow discharged to a subsurface system must be authorized by a separate injection well permit and return flow if discharged to a surface water system shall meet Idaho Water Quality Standards. Injection Well Permit 95-W4 has been assigned to the Skyway Elementary School.
2. After specific notification by the Department, the right holder shall install a suitable measuring device or shall enter into an agreement with the Department to use power records to determine the amount of water diverted and shall annually report the information to the Department.
3. Right holder shall comply with the drilling permit requirements of Section 42-235, Idaho Code and applicable Well Construction Rules of the Department.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this 15th day of July, 2008.
